

Audit memo No: 10

Date: 26.12.2018

**Subject: Norms for starting of various streams under Arts, Commerce and science at 10+1 and 10+2**

Para 2.8.3.2 of Education Code provides for starting of science and commerce classes on the basis of enrolment in 10+1 is, in between 60-100 students in non-tribal/non-difficult areas, either science or commerce class shall be started. If the enrolment persists above 100 students in 10+1 non-tribal/non-difficult areas, then both science and commerce classes shall be started. Science classes shall also be started in a school located at district, sub-division, tehsil, block headquarters levels only, and if there is no school within a radius of 8 kilometre offering science/ commerce classes (subject to approval of department).

In this regard, the information of number of schools in which science and commerce classes have been started from the inception of Education Code, setting the norms for starting of various streams may be made available to audit in the following proforma:

*DDNR  
9-3/18  
OS
