I am directed to say that the Indian National Flag represents hopes and aspirations of the people of our country and hence should occupy a position of honour. There is universal affection and respect for, and loyalty to, the National flag. Yet, a perceptible lack of awareness is often noticed amongst people as well as organizations/agencies of the Government, in regard to laws, practices and conventions that apply to display of the National Flag. A copy each of 'The Prevention of Insults to national Honour Act, 1971' and 'Flag Code of India, 2002' which governs display of National Flag, are enclosed herewith for strict compliance of the provisions contained in the Act and the Flag Code (copy also available on this Ministry's website www.mha.gov.in). You are requested to undertake mass awareness programme in this regard and also to give it wide publicity through advertisements in the electronic and print media.

2. Further, it has been brought to notice of this Ministry that on the occasions of important national, cultural and sports events, the National Flags made of plastic are also being used in place of National Flags made of paper. Since, plastic flags are not biodegradable like paper flags, these do not get decomposed for a long time and ensuring appropriate disposal of National Flags made of plastic commensurate with dignity of the flag, is a practical problem. You are, therefore, requested to ensure that on the occasions of important national, cultural and sports events, Flags made of paper only are used by the public in terms of the provisions of the 'Flag Code of India, 2002' and such paper Flags are not discarded or thrown on the ground after the event. Such Flags are to be disposed of, in private, consistent with the dignity of the Flag. Thus, you are also requested to give wide publicity, for not using the National Flag made of plastic in the electronic and print media.

Yours faithfully,

Encl: As above.
