Subject: **Regarding the registration of schools by Head/Principal of the institution/school prior to submission of online application form by students for NTSE-2020**

Sir,

As you are aware that every year SCERT, Solan (H.P.) conducts National Talent Search Examination (NTSE) and National Means cum Merit Examination (NMMS). Till last year an offline mode of accepting the application form was in practice. In the present pandemic situation the council considered it appropriate to switch to online mode of accepting Application forms and generation of Admit Card to safeguard the students and employees from handling the numerous paper which may transmit virus and to outreach a large number of students.

The school heads /Principals are required to register their schools by sending the following details through mail on hpscrtntse@gmail.com

a. Name of the School
b. Complete address of the School/Institution
c. Name of the Principal/ Head of the Institution
d. Contact number of the Principal/Head of the Institution(working Mobile number)
e. School email id
f. School UDISE Number

Only after the registration of the school, a student from that school will be able to submit their online application form (student's link) and after the submission by student the principal/head of the school will verify the details submitted by the students through the link provided for heads of institution. The aforementioned links are available on official website of SCERT (H.P.).

Kindly treat it urgent and do the needful at the earliest.

Ncaushik
Principal,
SCERT, Solan (H.P)
