Subject:-

**Mid Day Meal Automated Reporting and monitoring  
System (MDM- ARMS)**

Sir/Madam

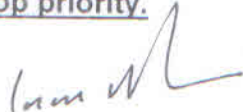

As you are already aware that the Mid Day Meal Programme is also monitored through an automated system i.e MDM-ARMS on day to day and real time basis as well vide which the concerned respondent Mid Day Meal teacher Incharge of the respective schools are reporting message from their registered mobile numbers on toll free number "**15544**" about actual number of meals served to the school students under Mid Day Meal Programme on all school working days in the State.

In this context, it has been observed that the respondent Mid Day Meal teacher incharge of the respective schools are sending the requisite message on the basis of the attendance of the students, whereas the same should have been sent on the basis of actual number of meals served OR the actual number of students availing the meals under MDM Programme on particular school working day.

In view of the above, you are therefore directed to instruct all the schools that in case there is any difference / variation in the total attendance of the students vis- a- vis the actual number of meals served, the MDM teacher incharge should send a revised message after serving the meals about **the actual number of students availing the meals**, so that the MDM Programme could be monitored in the true spirit of an automated MDM-ARMS mechanism on real time basis. In this context, you are further directed to issue necessary instructions to all schools that during the examination, the MDM workers may be asked to prepare the meals by 12:00 Noon, so that the students could get their meal immediately after the completion of their examination.

**This may be treated as most urgent and top priority.**
