Subject: - Regarding setting up linkage between Anemia Mukh Bharat/ WIFS and Mid Day Meal.

Sir,

As you are aware that PM Poshan (Mid Day Meal) Scheme is being implemented to the eligible students in all Government and Government aided schools in the State. In addition to this IFA-Pink Junior and IFA Blue are also distributed among school students through State Health & Family Welfare Department in order to improve the nutritional status especially to fight Anemia in children /adolescents. In this regard Mission Director, National Health Mission Himachal Pradesh has apprised that NFHS-5 study has revealed that Anemia has increased in children between the age of 6 months to 10 yrs and slight improvement in adolescents. Accordingly, it has been suggested to establish the linkage between Anemia Mukh Bharat/ WIFS and PM Poshan (Mid Day Meal) Scheme in schools in the State.

In view of the above, you are therefore requested to ensure the distribution of IFA-Pink Junior and IFA Blue tablets to the school students immediately after Mid Day Meal in all schools in the State and send the action taken report (ATR) to this office please.

Let's join hands and take a pledge in improving the nutritional status and make Himachal Anemia Free. Let's build solid body and smart mind of our children.

Your's faithfully

(Dr. Bhuwan Sharma, HPAS)
