Govt. of Himachal Pradesh

Subject: Regarding provision of Free Career counseling-cum-Vocational Guidance to the students of Government schools in Shimla on behalf of National Career Service of Govt. of India

Sir,

It gives me immense pleasure to inform you that Union Ministry of Labour & Employment, Government of India has initiated the National Career Service scheme to bridge the employability gap between the Job seekers and the Employers. To catalyze the scheme, a National Career Service portal (www.ncs.gov.in) has also been launched by the ministry. Apart from serving as a platform for the job seekers & employers, this portal also aims at providing the much needed vocational and career guidance to the school going students.

The central government has appointed Young Professionals throughout the country to create awareness and help the stakeholders get the best out of National Career Service. I have been entrusted this task for the state of Himachal Pradesh.

As a part of the outreach program, I have been visiting various educational campuses throughout the state to create awareness regarding NCS and helping students get the best out of the NCS portal. Provision of free career counseling sessions, vocational guidance sessions, motivational career talks and interactive sessions are a part of the NCS scheme. The aim is to unleash the hidden talent and do-away with the inherent shyness and stage fear amongst the students of Himachal Pradesh.

I would, therefore, request you to propagate this information amongst the Government schools in the vicinity of Shimla city (specifically rural areas) directing them to get back to me (Er. Vishal Sharma, 9418248530) individually with available dates and time-slots as to when I can have an interactive session with their students (9th to 10+2) offering free vocational guidance & counseling and helping them unleash their hidden potential.

Do let me know if there is any other way we can collaborate to help the students of our state.

Awaiting your positive response

Yours faithfully,
Vishal Sharma
