Regarding Manual on Safety and Security of Children in Schools.

Refer to the letter No.CPCR-A(4)-2/2018-469 dated 22-05-2018(Copy alongwith enclosures enclosed), received from the Member Secretary, Commission for Protection of Child Rights, Himachal Pradesh, enclosing therewith a copy of D.O. letter No.2501/05/2016-NCPCR/RTE-67656 dated 26-02-2018, wherein it has been intimated that National Commission for Protection of Child Rights, New Delhi, has presented the comprehensive "Manual on Safety and Security of Children in Schools". This will enable all the stake holders to work together to make the schools a safe place where children can learn, grow and become responsible citizen of tomorrow.

As all of you are aware that the children are our most important resource and ensuring that they are safe and secure in schools is our most important task. A number of measures and steps have been recommended and same is to be put into practice as per the guidelines incorporated in the manual, in order to ensure safety and security of school children within school premises. In view of new circumstances and incidents happened in the recent past, NCPCR has recommended that all the Educational Institutions should assess their respective safety and security requirements by conducting safety audits in schools with the help of "Child Safety Check List" available in the manual. This manual can be downloaded from the website of the National Commission for Protection of Child Rights, New Delhi, www.ncpcr.gov.in.

In view of above mentioned position, you are directed to issue necessary instructions to all the Educational Institutions (including privately managed Educational Institutions) under your administrative control for taking appropriate action in the matter accorded.
