Himachal Pradesh Dated: Shimla-1 the 11 March 2019

To

1. Deputy Directors of Higher Education.
2. Deputy Directors of Elementary Education.
3. All DPOs – cum DIET Principals.
Himachal Pradesh

Subject: Unique Disability ID (UDID) for Children with special needs (CwSN)- Reg.
Sir/Madam

The UDID project initiated by Department of Empowerment of Persons with Disabilities aims at building a holistic end-to-end integrated system for Issuance of Universal ID & Disability Certificates for Person with Disabilities with their identification and disability details.

In this context, you are directed to register all the Children with special needs of the District with the UDID portal (<http://www.swavlambancard.gov.in>), initiate the process to provide UDID card to CwSN (Pre nursery to XII class) and sensitize the school heads, teachers, parents and community to ensure certification of disability UDID card. This provision shall bring a host of benefits to the CwSN as given below:

1. CwSN will not need to make multiple copies of documents, maintain, and carry multiple documents as the card will capture all the necessary details which can be decoded with the help of a reader
2. The UDID card will be the single document of identification, verification of the disabled for availing various benefits in future
3. The UDID Card will also help in stream-lining the tracking of the physical and financial progress of beneficiary at all levels of hierarchy of implementation – from village level, block level, District level, State level and National level

To know more about UDID project, Annexure is enclosed herewith.

o/c

Me
State Project Director (ISSE)

Know more about UDID

"Unique ID for Persons with Disabilities" project is being implemented with a view of creating a National Database for PwDs, and to issue a Unique Disability Identity Card to each person with disabilities. The project will not only encourage transparency, efficiency and ease of delivering the government benefits to the person with disabilities, but also ensure uniformity. The project will also help in stream-lining the tracking of physical and financial progress of beneficiary at all levels of hierarchy of implementation – from village level, block level, District level, State level and National level. It includes -

- Online availability of data of Person with Disabilities across country through a centralized web application
- Online filing and submission of registration application form for disability certificate/ Universal ID card; Offline applications may also be accepted and subsequently digitized by agencies
- Quick Assessment process for calculating the percentage of disability by the hospitals/ Medical Board
- Non-duplication of PwDs data
- Online renewal and update of information by Person with Disabilities/ on their behalf
- MIS reporting framework
- Effective management including interoperability of the benefits / schemes launched by the Government for PwD
- To take care of additional disabilities in future. Number of disabilities at the moment is seven and shall be subject to increase as per the new Act/ notification which can be up to 19 or more
Given below is the brief description of the workflow involved in the card generation process along with the key users who shall use the application:
- PwDs are required to register with the UDID portal. Once registered, after the login is complete, they will be able to apply online for Disability Certificate and UDID card. They will also be able to track the status of their application. They can put forward their request for renewal of Disability Certificate/UDID Card and also request for another card in case of loss of their UDID Card. They can also download and print the copy of their respective Disability Certificate/UDID Card. One of the unique features shall be the ability to locate their CMO Office/Medical Authority for assessment of disability, District Welfare Officer to receive assistance and to know about the various schemes for Persons with Disabilities. They will also be able to view latest news/announcements pertaining to disabilities.
- Disability Certificate Issuing Authorities (CMO Office/Medical Authority) will use this application to record the details of Persons with Disabilities (PwDs) and issue Disability Certificate/UDID Card electronically. Application from the PwD will be received by the CMO Office/Medical Authority. After necessary verification, the PwDs will be referred to designated Specialist/Medical board for disability assessment and once the assessment is over, the assessment details are submitted and Disability Certificate/UDID Card will be issued electronically. Automating Disability Certificate/UDID Card issue process will significantly reduce the time and timely delivery of the Disability Certificate/UDID Card assured.
- District Welfare Officer/District Social Welfare Officers shall use the UDID portal for facilitating PwDs in getting Disability Certificate/UDID Card by means of providing application receiving counter, facilitating in Camps. The web portal would also facilitate smooth implementation of schemes meant for PwDs.
- District Collectors will use this application to monitor implementation of the UDID project and its effectiveness. They will use of some of the basic reports/summaries generated from UDID portal.
