Memo,

I congratulate you for showing your interest in group affiliation and registration of government and private schools in your district with the Bharat Scouts and Guides.

But it is a matter of great concern that despite the extension in dates from 15-07-2020 to 31-07-2020, most of the districts are yet to touch the 50% mark (List attached) which is not very satisfactory sight at all.

As per the requests received from the field and keeping in mind the ongoing Beginners Courses in Districts, I am pleased to extend the last date of registration to **30 September 2020**.

This matter requires your personal attention to accelerate the process and ensure to touch 100% mark in group registration in all the schools (including Private Schools) under your jurisdiction so all round development of young generation be ensured.

In case of any lapse, you may have to explain your position in this regard.

Modified detail of the affiliation and registration process is as appended:
