Subject:- Instructions to be Given to the Students in the Morning Assembly Awareness, thereof.

Along,

As you know, most of the students are unaware of day to day dangers and some time they face unfortunate incidents with them. In this regard, it is necessary that in today's scenario, all the students of the Educational Institutions may be aware about the day to day unfortunate incidents.

In view of aforementioned position, all the Heads of the Educational Institutions are directed to deliver the following instructions to the students in the Morning Assembly regularly:-

- > All the students of the school will be instructed that no student will take any favour i.e. lift in the vehicle from any unknown person(s).
- > They will not take any eatable items offered by any unknown person(s).
- > The students may be asked that they will come to school and will go to their home in groups. Especially, the girl students will not go to somewhere alone and they will come to school and will go to their home alongwith the other students of the school.
- > If, it is noticed by any student(s) that any suspected person chases any student(s) his / her, then Principal/ Headmaster/ any Teacher of the school or his/ her parents may be informed directly or indirectly (in case, if he or she feel any danger) about this, immediately.
