Sub: CENTER BASED ASSESSMENT SUPPORT – DISTRICT WISE

Dear Sir,

Greetings from HCL Training & Staffing Services (HCLTSS), a subsidiary of HCL Technologies.

We've done the seminars in all the districts with Principals & Math's Lecturers.

After the seminars feedback from Principals & Math's Lecturers was really encouraging that this type of project is running in HIMACHAL PRADESH, where candidates will get full benefits of EDUCATION & EMPLOYMENT.

Further discussion with the stake holders we've received the feedback that CENTER BASED ASSESSMENT & selection drive should be run in districts & block wise in MODEL SCHOOL.

Where Principal's will send students for assessment & interview on same day.

Only Math's or Business Math's students pass out in 2021 & 2022.

Looking forward to your valuable support towards the recruitment drive. This will help in Skilling and Employability to youth of Himachal Pradesh by providing them opportunity to start their careers in a global IT company at an early age. India's one of the largest IT companies with 197,000+ employees working across 52 countries. Our customers include 250 of the Fortune 500 and 650 of the Global 2000 companies.

Please extend your support to do this activity at the earliest sir. So that maximum benefit reaches to the students.

Thank you

Balvinder Singh
