Environment, Forest & Climate Change & Ors.

Sir,

In continuation to this Department letter of even number dated 13-11-2020 on the above cited subject and to say that the festive season of Diwali, Gurupurnima, Christmas and New Year Eve is approaching during which people usually burst crackers which can adversely affect the respiratory health of vulnerable groups, besides aggravating health condition of COVID-19 positive persons. Also the Hon'ble Supreme Court of India vide orders dated 23.10.2018 and dated 31.10.2018 passed in Writ Petition (Civil) No. 728 of 2015 titled as Arjun Gopal and Others vs. Union of India and

connected matters had issued certain directions relating to the use of firecrackers for compliance by the State Governments. Considering the adverse impact of pollution by use of fire crackers, aggravated risk to lives and health during the Covid-19 pandemic the Hon'ble NGT had issued certain directions for compliance by the States with regard to the use of fire crackers vide order dated 09.11.2020 passed in Original Application No. 249/2020 titled as Tribunal on its Own Motion vs. Ministry of Environment, Forest & Climate Change and other connected matter. The operative part of directions issued on dated 09.11.2020 is reproduced as under:-

- "Para 48 (i) there will be total ban against sale or use of all kinds of fire crackers in the NCR from midnight of November, 9-10, 2020 to the midnight of November 30- December 1, 2020, to be reviewed thereafter.
- ii Direction (i) will also apply to all cities/towns in the country where the average of ambient air quality during November (as per available data of last year) fall under 'poor' and above category.
  - iii The cities/towns where air quality is 'moderate' or below, only green crackers be sold and the timings for use and bursting of crackers be restricted to two hours during festivals, like Diwali, Chatt, New Year/Christmas Eve etc, as may be specified by the concerned State. This direction is on pattern of direction of the Hon'ble Supreme Court in (2019) 13 SCC 523 which we are applying to areas moderately polluted or below air quality due to aggravated effect during Covid-19, as already noted. If nothing is specified by the State, timing will be 8 to 10 pm on Diwali and Gurupurb, 6 am to 8 am on Chatt and 11.55 pm to 12.30 am during Christmas and New year eve (which have yet to come and do not fall in November but if ban continues) and not otherwise.
  - iv. At other places, ban/restrictions are optional for the authorities but if there are more stringent measures under orders of the authorities, the same will prevail.
  - v. All States/UTs/PCBs/PCCs may initiate special drives to contain air pollution from all sources in view of potential of aggravation of Covid-19
  - vi. The Chief Secretaries and DGPs of all the States/UTs may issue and circulate an appropriate order in above terms with appropriate enforcement guidelines to all the District Magistrates and Superintendents of Police, PCBs/PCCs.
  - vii. The CPCB and the State PCBs/PCCs may regularly monitor the Air Quality during

this period which may be uploaded on their respective websites. CPCB may compile information on the subject, including the status of compliance of this order from all the States/UTs and file a consolidated report with data compiled till filing of report, before the next date by e-mail at [judicial-ngt@gov.in](mailto:judicial-ngt@gov.in) preferably in the form of searchable PDF/OCR Support PDF and not in the form of Image PDF.

In the aforesaid backdrop, it has been decided that during this year festival season, *only green crackers would be allowed and strictly for a very short duration on the following days and time specified in the table below:*

Festival	Day	Time for bursting of the crackers
Diwali	4 <sup>th</sup> November, 2021	From 8:00pm to 10:00pm
Gurupurab	19 <sup>th</sup> November, 2021	From 4:00am to 5:00am and From 9:00pm to 10:00pm
Christmas Eve	25-26 <sup>th</sup> December, 2021	From 11:55 pm till 12:30 am
New Year Eve	31 <sup>st</sup> December of 2021- 1 <sup>st</sup> January of 2022	From 11:55 pm till 12:30 am

No e-commerce websites including Flipkart, Amazon, etc. shall accept any online orders and effect online sales within the State of H.P.

The average Ambient Air Quality and Air Quality Index (AQI) of the selected locations across the state monitored by HP State Pollution Control Board is also available on State Board website [www.hppcb.nic.in](http://www.hppcb.nic.in).

You are, therefore, requested to direct all the concerned Officer(s)/ Official(s) under your control to ensure compliance. Any violation of the directions aforementioned will invite immediate penal action under Section 15 of the Environment (Protection) Act, 1986 besides legal action under Section 188 of the IPC and other provisions as applicable.

This may be attended on TOP PRIORITY.

Yours faithfully,

(Satpal Dhillon)
