**Subject: Usage of ICT Material for Non-Academic Purpose-reg.**

Sir/Madam

With reference to Letter No HPSES-ISSE-ICT/Misc.-2018 received from the State Project Office (ISSE), Shimla Dated: 22-09-2018, on the subject cited above, it has been reported on e-Samadhan that material provided by RMSA to ICT labs such as Paper reams, Printer cartridges etc. are used by school offices for their own work and even Principals are ordering ICT Incharges to handover the ICT material to the school clerks which is not beneficial to students. And, funds provided for school stationery are then used by school offices for their furniture like revolving chairs, tables etc.

You are therefore directed not to follow such practices in future which are not in favour of academic growth of children studying in ICT schools to avoid any disciplinary action.
