Sir / Madam,

1. Due to Covid-19, schools have been shut down since the past 6 months. Parents are anxious about their children's education due to uncertainty of opening of schools. There has been limited parent teacher interaction in this period. To maintain regular dialogue and bridge the gap between school and parents an e-PTM was organized throughout the State from 4 to 7 August, which was very successful, with 92% parents attending the e-PTM, conducted by 48,000 teachers across the state.

A second phase of the e-PTM will be held from 16<sup>th</sup> -19<sup>th</sup> October, 2020 through which teachers will share with parents updates related to their child's education since the last e-PTM. To implement the initiative successfully, the Hon'ble Education Minister will address the parents, students and teachers on 15<sup>th</sup> October, 2020 from 3:00 to 5:00 P.M. through a YouTube live session. Some selected participants in the session who will be directly interacting with the Minister will have to join via Zoom. All others will be able to attend the session on YouTube.
