**Sub: Regarding filling up of questionnaire online by school teachers and students to obtain feedback regarding the environmental education in schools of the state.**

Dear Madam/Sir

As you are aware, the Hon'ble Supreme Court of India has passed an order to make environment education a compulsory subject throughout the country and directed NCERT to be the nodal agency to monitor the implementation of environmental education in schools of India.

In order to improve the implementation of environmental education in the schools NCERT is conducting a survey for which the links for two questionnaires (one for teachers and one for students) are being sent out to you to be further sent to the schools in your districts so that questionnaire may be filled online.

Responses received through this questionnaire will form part of the report of the status of implementation of environmental education in schools being prepared by NCERT.

You are, therefore, requested to kindly send the following links to all the schools in your districts
