**Subject:-** Regarding giving honour and priority to the DC Card holders.

Sir/ Madam,

As you all are aware that due to the significant decline in the Child Sex Ratio (CSR), a prominent programme (Beti Bachao Beti Padhao) was introduced by the Government of India in 2015 so as to address the issues of decline in CSR in 161 districts of the nation which includes our Una district also. In continuation of the process many initiatives were taken in past so to pushup the Child Sex Ratio within the district, one of the major innovative initiative was to issue the D.C cards under Una Utkarsh scheme to the families of having only girl children and no son by the District Administration which was put in effect from 2018 with an aim that parents of daughters carrying these cards will get preferential treatment in every government office they visit.

But it has been observed by the undersign authority that these cards are disregarded/dishonoured in most of the government offices, so you all are directed to give respect to all those DC Card Holders whosoever comes in your offices by tackling and solving their problems on priority as this is also our moral responsibility to honour the parents who are having a girl child. This is for your information and necessary action.

Yours sincerely,

24/08/2020  
Deputy Commissioner,  
Una, District Una (H.P).
