Subject:- Regarding the Instances of Wrong Distribution of Question Papers in the Board Examinations in the Schools of the State.

It has been brought to the kind notice of the Administrative Department that during the annual examinations of 10th & 12th Classes in the year March 2017, the question papers of SOS Examination of two subjects (English Paper of 10th Class and Political Science Paper of 12th Class) in the state were erroneously opened in the morning session, whereas the question papers of these classes were to be opened in the evening session. Due to which the examinations of these subjects in the entire state were cancelled and again the board had to bear additional financial burden for the printing of question papers of these subjects.

It appears that the Teachers / Staff who were assigned the work of examination have not carried out / performed their duties responsibly, which is serious dereliction, unexpected as well as regardlessness in the services on the part of a public servant.

In view of above mentioned, you are directed to insure that such type of instances should not be repeated in future and the Teachers/ Staff deputed for the Board Examination Duties should be instructed properly to perform the annual board examination duties, accordingly in letter & spirit.

This may be given personal attention and top priority please.
