(Dr. B.L. Vinta)

Jt. Director of Higher Education (C)

Himachal Pradesh

I am writing this to you with a request to make safe drinking water available to all the schools in your State.

2. Water is fundamental need of all human beings. Drinking of contaminated water causes water-borne diseases such as diarrhea, cholera, typhoid etc. Therefore, the availability of safe drinking water in the schools is of critical importance in controlling the water-borne diseases.

3. I shall be thankful if steps are taken to ensure that safe drinking water is provided in all schools in the State/ UT by 2017-18 in convergence with Departments dealing Drinking Water & Sanitation and Department dealing with Panchayati Raj institutions and Urban Local Bodies. You may also like to make use of Corporate Social Responsibility (CSR) and community participation for this purpose. Action taken in the matter, strategy for full coverage by 2017-18 and likely coverage during 2016-17 may kindly be intimated to us.
