Dated: 05-03-2018

To

All the Principals & HMs
GSSSs and GHSs Distt. Una(HP)

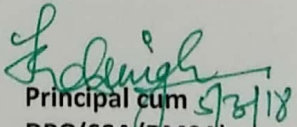

Subject: Usage of ICT Labs in r/o ICT@Schools Phase-II-reg.

Sir/Madam

With reference to Letter No HPSES (RMSA)-ICT/3 (Misc.)-2015-13177-13202 received from the State Project Office (RMSA), Shimla Dated:28-02-2018, on the subject cited above certain gaps have been identified in respect of inclusion of Smart class room and ICT Lab in Time Table, maintenance of daily usage register of Multimedia e-content by teachers, lack of proper care of ICT equipments & reporting of faculty/equipments/services to be provided by the implementing agency i.e. IL&FS ETS as per the terms and conditions of the tender document. It has been directed time and again that no hardware/Equipment/Software/Services should remain non-functional/unutilized in the school and complaints be reported on MIS Application at <https://ict.esg.ilfseducation.com/ictportal/Login.aspx> with unique user-id(please check stock Register given by IL&FS) and password ict@1234 or on help desk number 8894779950, 51, 52 along with maintenance of Stock Register and Content usage in each school. Despite these directions, no attention is being paid towards maintaining the proper usage record and upkeep of Smart classrooms & ICT Lab in schools. ICT@Schools scheme has twin objectives i.e.

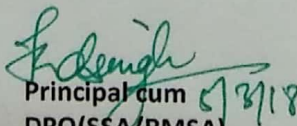

- I. Computer Literacy
- II. Use of On-line resource/e-content in Teaching-learning process.

It is, therefore directed that proper implementation & objectives of scheme may be carried & adhered for benefit of students and two classes per subject per week be ensured to be taught in smart classroom and ICT Lab otherwise disciplinary will be initiated against the defaulters from the higher authorities.
