A Kumar Singh, IFS

Dear Sh. Sandeep Kumarji

I am extremely grateful for your kind co-operation and patronage in running the Jawahar Navodaya Vidyalaya in your district. I am sure under your Chairmanship, the Vidyalaya is moving in the right direction to achieve its objectives.

Last year, due to your able guidance to JNVs, they have done well in academic and extracurricular activities. One of the crucial activities in running the Vidyalaya is the conduct of Jawahar Navodaya Vidyalaya Selection Test (JNVST) effectively and fairly and admitting the children based on their merit and category to which they belong. So far, this activity has been undertaken in a systematic manner under your control and supervision.

The registration for Lateral Entry Selection Test for filling up vacant seats in Class IX is being done through online portal for which the link is available in the NVS website www.navodaya.gov.in and www.nvsadmissionclassnine.in. More than 2 lac students are expected to enroll themselves for appearing in the Lateral Entry Test for the year 2020-21 for Class IX to be conducted on 8th February 2020. The last date for filling of online application is 10th December 2019.

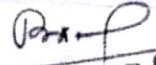

As you are aware the aspirants for the said test are from remote localities of the district, concerted efforts to reach out to them is essential without which many deserving and meritorious students may not get the information about the online registration facility. In this context, I request you to direct the district officials especially the officials of education department to use various platforms under their command to give wide publicity about the online registration for appearing in the Lateral Entry Test. Releasing a press note in the district edition of the local newspapers may help immensely to bring instant awareness among the needy students and parents. The notification highlighting the important dates and other useful information is placed herewith for your ready reference.

The Principal of Jawahar Navodaya Vidyalaya has been directed to personally meet you and brief you about the various details concerning Lateral Entry Test.

I shall be grateful, if you could kindly monitor the smooth conduct of examination.

With regards,

Yours sincerely,

07/11/2019
