To

All the Principals/Headmasters,
GSSS/GHS Distt Una(HP),
Instructions regarding awareness among students.

Subject-
Memo,

It has come to the notice of the undersigned that anti sexual harassment committees of some schools are not performing their duties honestly. The committees have been constituted in every institution to address the complaints against sexual harassment and problems of adolescent . But it is very much regretted that girl students of some schools are not even aware that such committee has been constituted in school. The students especially girl students have not been aware about "Good Touch and Bad Touch". They are making their complaint with hesitation to the other male teachers. It seems that no counselling is being made with the girl students and resolution is being made in register for formality sake.

So all the Heads are hereby directed to aware the students regarding various committees of the school constituted for the betterment of the school and for the overall development of the students in Morning assemblies or during Bag Free Day. They are further directed to ensure zero tolerance towards sexual harassment and non performance of duties assigned to teachers by the Head of institution will be viewed seriously and strict action will be taken as per rules
