Subject: - Regarding procedural lapses observed in Execution of civil works.
Sir.

It has been found that several procedural lapses are committed while executing civil works executed through School Management Committees (SMC's). The lapses are as under:

1. Estimates of building are not being prepared prior to execution & no technical sanction was accorded.
2. Amount is being withdrawn by teacher in charge of RMSA for further payment to Vendors & labourers instead of making payment through Cheques, Draft or RTGS directly to vendors & labourers.
3. Payments are being made without assessment of work.

Keeping in view the above you are requested to apprise the concerned school heads for ensuring the codal formalities as per Financial Management & Procurement Manual for RMSA issued by Govt. of India to execute the civil work.

Yours sincerely,

-sd-
