In the meeting, it was discussed that Ministry of Human Resource Development, Government of India has targeted 100% enrolment & digitization of data of 5-18 years students by the end of this calendar year.

In this regard, as you are aware that in Himachal Pradesh, more than 90% children/ students have been enrolled with Aadhaar and emphasis should be laid on for the coverage of all remaining children/ students in the age group of 5-18 years. The Deputy Director of Higher Education of the concerned District will also collect the school wise data of students who are not enrolled with Aadhaar as yet, within 3 or 4 days. After that, concerned DDHE will form Rosters/ Clusters and each Roster/ Cluster should comprise of at least 5 to 6 schools for the enrolment of remaining children/ students.
