

No. HPSES(RMSA)-C.W/2015-16/HIMUDA  
STATE PROJECT OFFICE,  
SAMAGRA SHIKSHA, HIMACHAL PRADESH  
Dated: Shimla-171001, the

7.3.2019.

To

All the Principals DIETs-Cum-  
District Project Officers (RMSA),  
Himachal Pradesh.

**Subject: -** *Regarding availability of land/ construction of school buildings under RMSA.*

Sir,

It has been observed that after pursuing the matter of non availability of land for execution of works under RMSA, success to some extent has been achieved but still there are cases where sites are not available due to which construction work cannot be pursued by the construction agencies.

You are, therefore, directed to put in all the efforts to identify the sites at the remaining schools where land has not been made available by the school authorities through the Assistant Engineers (wherever available) and Junior Engineers. Wherever forest land is available and the old structures of buildings are to be declared unsafe and dismantled, ask the engineers to pursue the cases with the respective departments/offices so that the sites are made available. Submit the detailed consolidated report to this office immediately.

Yours sincerely,

State Project Director  
SSA/RMSA, Himachal Pradesh
