Subject- Nominations & Registration of Schools under INSPIRE Award-MANAK

Memo,

It has been already made memorable by this office time to time that INSPIRE Award Scheme has been implemented by the Department of Science & Technology New Delhi in teamwork with National Innovation of Foundation of India and further initiated by the Hon,ble Prime Minister of India with "Start up India" programme. In spite of Various Communications, the Nominations of Above mentioned Schools are still pending. **Don,t wait for the Last Date as website becomes busy in the last dates and it may cause sometimes a problem to upload the detail of the students.** Merely taking Print out of Acknowledgement from the First Page of Nominated Students does not mean that the Nominations Process is Over but the detail of Nominated students after View Nomination Icon appearing green and later forwarded to to D.A will be considered the process is Complete. The Detail appears in Red colour means the process is incomplete and it is standing with the Schools Dash Board . So you are hereby directed to send the nominations through proper procedure as soon as possible before **31-8-2018, The Department is very stern on this Scheme so the Strict action will be taken against defaulters for non compliance of the orders.**
