**Subject :** List of 100 no. of schools for implementation of energy efficiency in the school.

Sir,

The Directorate of Energy has been designated as the State Designated Agency (SDA) for implementation of energy conservation and energy efficiency projects in Himachal Pradesh, by the Bureau of Energy Efficiency (BEE), GoI, MoP.

The Director General, BEE, MoP desires to take 100 no. of school from every state of India for implementation of the energy efficiency activities. The objective of these activities will be to sensitize the children about the importance of energy (Electricity) conservation and efficiency at early stages of school education. Based upon your inputs on the subject a plan to sensitize the children will be prepared by the SDA along with the budget estimation and same shall be submitted to BEE for further approval/sanction.

Therefore, it is requested to submit a list of 100 no. of schools (High & Senior Secondary Schools) covering all parts of the state before 10/10/2017 to this office. Any input suggestion/idea in this context from your side will be appreciated by the SDA.

Yours faithfully,

  
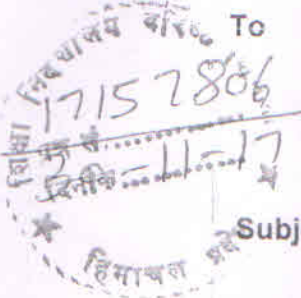

Chief Engineer (E),  
Directorate of Energy,  
New Shimla-171009.
