Subject: Regulating the Coaching Centres

Sir,

The issue of regulating private coaching institutions, especially in the context of rising student suicides therein, has come for elaborate discussion both in Parliament and in the Ashok Misra Committee report.

2. It was reported that most of these coaching institutions are not recognised under Regulation, charge exorbitant fees, place undue stress on the students at the cost of the extra-curricular activities. As such, it was recommended to regulate these institutions in the interests of students and their overall development.
3. Considering that regulation of +2 level education is the responsibility of the State Government, it is felt that these institutions are best regulated by the State Governments, covering the above aspects and prescribing strict penalty system for the deviant institutions.
4. In order to address the issue of student suicides, the Justice Roopanwal Commission of Enquiry has suggested a set of (12) measures (enclosed) for implementation in the educational institutions. These can be kept in view while framing the Regulation by the State Government.
5. The action taken in this regard may kindly be inform.

Yours faithfully,

(R. Subrahmanyam)

Additional Secretary to Govt. Of India
