Subject
Regarding conducting meeting-cum- workshop at block level to upload Disaster Management Plan on School Safety App

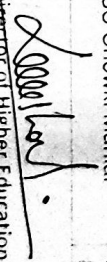

Sir/Madam,

As you are aware that Himachal Pradesh State Disaster Management Authority in collaboration with National Informatics Centre Shimla has developed School Safety App and all the schools were directed to upload School Safety Plan in School Safety App however it is noticed that very few schools have uploaded data on the above said App.

In view of this, DDMA Una is organizing block level meeting cum workshop. All the Heads of Govt. and Private Schools are requested to depure their IT Teacher or any other teacher having knowledge of computer with school record (Disaster management Plan, Photographs in JPEG format for uploading ect) for the said Meeting on the scheduled Date, Time and Venue so that they can discuss the issues faced by them while uploading data on School Safety App. as per the schedule given below. Strict action will be taken against schools who fail to upload data on School Safety App before 25th May 2024.
