D.O. No.9/56/2014-CRD (NPR)

Dear Shri P Mitra,

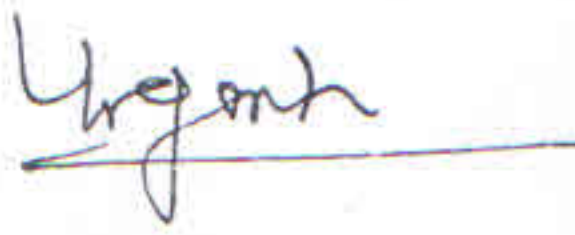

As you are aware, the scheme of updation of the National Register of Citizens (NRC) 1955 in Assam is being implemented. The NRC, 1951 is being updated under the provisions of Citizenship Act, 1955 and Citizenship Rules, 2003, as amended from time to time under the aegis of this office.

2. As per these statutes, the NRC would contain names of those persons (or their decendants) who appear in NRC 1951, or, in any of the Electoral Rolls upto the midnight of 24th March, 1971 or in any other admissible documents issued upto the cut off date, which would prove their presence in Assam or any part of the country on or before the said date. Under the process, application Forms (family-wise) were invited from all households with supporting documents. The particulars furnished by the citizens in their Applications are to be verified and based on the results of verification, the NRC would be updated and a draft NRC published. As per directions of the Hon'ble Supreme Court, the updation of NRC 1951 in Assam is a time-bound exercise and needs to be completed within the time-lines.

3. In this connection, Government of Assam & State Coordinator, NRC, Assam has forwarded you some documents like Birth Certificates issued in your State, for validation from official records, by the Issuing Authority concerned and sought your intervention in sharing the results with him. The State Coordinator will follow up this with other types of documents such as Land documents, Ration Cards, Education Certificates, Employment Certificates, etc., issued by the concerned departments in your State for verifying their genuineness.

4. In view of the above, I request to issue necessary directives to all the departments to extend their cooperation and assistance in verifying the authenticity of the respective documents, preferably within 20 days from the date of receipt of the request.

With regards,

22/16

Yours sincerely,

(Sailesh)
