Sub: Regarding write ups for the State Level Science, Mathematics & Environment Exhibition for School Children 2021-22

Sir/Madam,

This is to inform you that the State Level Science, Mathematics & Environment Exhibition for School Children 2021-2022 is to be organized at SCERT Solan (H.P). You are requested to direct the Principals /Headmasters of Senior Secondary /High Schools under your jurisdiction to send us the write-ups on the sub-themes mentioned below latest by 10th January 2022. The main theme for the State Level Science, Mathematics & Environment Exhibition for School Children 2021-22 is "Technology and Toys".

The identified five sub themes are:-

1. Eco Friendly Material
2. Health, and Cleanliness
3. Software and Apps
4. Transport
5. Environmental and Climate Changes
6. Mathematical Modelling

In order to inculcate the scientific attitude among the students, kindly give wide publicity of this exhibition to the schools in your district (Government schools and Private schools affiliated to H.P.Board of School Education)so that maximum students of state can get a chance to participate at state as well as national level.

Students studying in senior secondary classes should be given preference. The interested students should make a working model on one of the above themes and also prepare a write-up of the same. Exhibits/ Models prepared should have some original creative work/modified form of available work and must not be copied directly from the net. Information about the exhibit/models should be furnished on Proforma 1 available on official NCERT website ncert.nic.in

The council would invite the selected entries after the scrutiny of the write-ups for SLSMEE 2021-22 to be organized at SCERT Solan.

Moreover on same day a seminar on the topic "Scientific Academic Institute of India" will also be organized for which nominations by schools are invited. Kindly intimate the name of students and their classes at the earliest through email on scert.science2@gmail.com
