Subject:- Left out electors - regarding.

Sir,

On the subject cited above, I am to say that the last date for the enrollment of remaining electors in the electoral roll is 4th May 2024, and very little time remains for those electors who have not yet registered themselves in their respective Assembly Constituencies. With the upcoming Lok Sabha General Election 2024, no eligible citizen should be left without exercising their franchise due to being un-enrolled in the Electoral Roll, as mandated by the ECI.

You are, therefore, directed to ensure the enrollment of all remaining eligible students in your institution before or on 4th May 2024 and send a certificate to the concerned Electoral Registration Officer (SDM) stating that no eligible elector has been left un-enrolled in your institution by 5th May 2024.

Kindly treat it most urgent.
