DR MANOHAR AGNANI, IAS
Additional Secretary

R.G. No. 19404072020/lmm

Date: 25th August 2021

Please refer to the ~~document~~ ^{document} issued by Union Ministry of Health & Family Welfare on 25th August 2021 regarding taking up priority vaccination of all school teachers to protect them against COVID-19. This issue has also been discussed in detail with all States/UTs in the meeting held on 25.08/21.

To facilitate this priority vaccination of all school teachers, vide letter no. GJ-24017/02/2021-lmm dated 23rd August 2021 additional COVID-19 vaccine doses have been provided to all States/UTs during the current month (to reach the States between 27th Aug to 31st Aug 2021), for special campaign to vaccinate beneficiaries due for 2nd dose along with teaching and non-teaching staff of all government and private schools.

In this regard, the vaccination status of teachers and non-teaching staff of schools may be obtained from your counterpart Secretaries of School Education department in the State. This data may also be triangulated with Unified District Information System for Education (UDISE+) database to know the district-wise number of teachers and non-teaching staff of schools. This triangulation exercise will help in estimation of beneficiary load for special vaccination campaigns thereby supporting efficient microplanning of such campaigns at district and sub-district level through convergence of health and education department officials (particularly District Education Offices & Chief Medical Offices) and tailor made strategies as per the local needs.

I request you to please direct the District Magistrates to oversee the implementation of special vaccination campaigns (wherein specific days or specific COVID vaccination centres may be earmarked for this purpose) for teaching and non-teaching staff of schools so as to ensure COVID-19 vaccination of all such eligible beneficiaries. I look forward for your continued support to the National COVID-19 Vaccination Programme in your State/UT.

Yours sincerely,

s/d

(Dr. Manohar Agnani)
